Potential members and a parent- Please initial each agreement below:

_____, _____ I understand that the being a part of the Dance Team at KJH or KHS is a long- term commitment (June- March) and that practices and performances with my team will need to take precedence over outside, non- Kings groups or work. There is, of course, flexibility when pre-approved by the coach, or when coordinating with other Kings sports or clubs, but I understand that I may jeopardize my position if other activities conflict with Dance Team events on a regular basis.

_____, _____ I understand that I need to maintain my grades in accordance with OSHAA regulations. KDT takes great pride in the academic strength displayed by our members and I understand that my schoolwork should be a priority.

_____, _____ I have read through the informational packet and agree to all stipulations within pertaining to fees, auditions, expectations, and obligations.
